AGREEMENT

You have contracted with K. A. LINDOW, CPA, and P.C., to perform the work requested on the front side of this document.

In order to help us give you the highest level of support, we will expect your complete cooperation with our office in providing us with the requested documents and information, keeping us apprised of any changes in facts and circumstances that affect your plan before its completion, and the payment of our bills in a current and timely manner.

Matters Specifically Excluded From this Agreement

Our representation of you is limited to the production of documents and the services listed on the front of the contract. Service specifically excluded from this agreement is:

- 1.) IRS and state tax compliance and reporting requirements for you or any of the entities created pursuant to the scope of this agreement.
- 2.) Representation of you in any proceedings or before any regulatory agency.
- 3.) Issues specific to the laws of your state.

If you want us to represent you for any matter not specifically listed in the "Scope of Project," including, without limitation, any of the matters listed in this "Matters Specifically Excluded from the Engagement," then we must enter into a separate agreement to do so. Nothing in this agreement shall be deemed an acceptance of our offering these additional services on your behalf.

While we are available to provide you with ongoing tax, business, and/or investing advice, we are not obligated to do so unless you specifically request us to perform a specific service at an additional cost. It is our policy to put all advice on which a client might rely in writing. We believe that is necessary to avoid confusion and to make clear the specific nature of our advice. You should not rely on any advice that has not been put in writing by our firm after a full supervisory review.

Penalties and Fines

You agree that it is your responsibility to know if you will incur any fees, penalties, or fines that you may incur if you liquidate any of your current IRA investments, and thus hold K. A. LINDOW, CPA, and P.C. harmless in such an event. Additionally, while we strive to expedite this process as quickly as possible, the average length of time is about six to eight weeks. Due to that fact, you should not enter into any contracts for investments until the procedure is finished. If you do enter into a contract before completion, you agree that we are not liable for any damages due to any delays.

Severability

Every provision of this agreement is severable. If any provision hereof is held to be illegal or invalid for any reason whatsoever, it shall not affect the validity of the remainder of this agreement.

Limitations on Liability

You agree that our maximum liability to you for any negligent errors or omissions committed by us in the performance of the engagement will be limited to three times the amount of our fees for this engagement, except to the extent determined to result from our gross negligence or willful misconduct.

Furthermore, because there are inherent difficulties in recalling or preserving information as the period after an engagement increases, you agree that, notwithstanding the statute of limitations of the State of Arizona, any claim based on this engagement must be filed within twelve months after performance of our service, unless you have previously provided us with a written notice of a specific defect in our services that forms the basis of the claim.

Right of Rescission

You have the right to a full refund of fees up until you have accepted the documents.

Applicable Law

The laws of the State of Arizona shall govern the interpretation of this agreement.

I have read and agree to the terms and conditions as outlined on this form. I may cancel this transaction any time prior to acceptance of forms. I have read the notice of cancellation rights and accept the terms. The signature below authorizes charges to the listed credit / debit card for associated selected services charges.
